SATISFACTORY ACADEMIC PROGRESS

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the Academy. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Students who do not achieve the minimum standards for Satisfactory Academic Progress are no longer eligible for Title IV, HEA program funds; if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Students who have not met Satisfactory Academic Progress at the end of an evaluation period will automatically regain satisfactory progress status at the end of the following evaluation period if they meet all qualitative and quantitative measures required in this policy.

EVALUATION PERIODS

Evaluations will determine if the student has met the minimum requirements for Satisfactory Academic Progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint

in the course. Students who meet minimum requirements for attendance and academic performance are considered to be making Satisfactory Academic Progress until the next scheduled evaluation.

Students will be advised in writing of failure to meet Satisfactory Academic Progress and any impact on the student's eligibility for financial aid, if applicable.

Students are evaluated for Satisfactory Academic Progress as follows:

Program	First Evaluation Period	Second Evaluation Period	Third Evaluation Period	100% of Program	125% of Program	150% of Program
Cosmetology	450 hrs	900 hrs	1250 hrs	1600 hrs	2000 hrs	2400 hrs
Attendance Rate (67% of clock hours attempted)	302 hrs	604 hrs	838 hrs	1072 hrs	1340 hrs	1604 hrs
Cumulative GPA	70%	70%	70%	70%	70%	70%
Esthetician	300 hours	600 hours	750	900	N/A	N/A
Attendance Rate (67% of clock hours attempted)	201 hrs.	402 hrs.	502 hrs.	604 hrs.	N/A	N/A
Cumulative GPA	70%	70%	70%	70%	N/A	N/A

All evaluations are based on scheduled hours of attendance.

Attendance Progress Evaluations

Students are required to attend a minimum of 67% of the scheduled hours based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that given the same attendance rate the student will graduate within the maximum time frame allowed.

Maximum Timeframe

The maximum timeframe is defined as the period, no longer than 150 percent of the published length of the program as measured by cumulative number of clock hours in which the student is required to complete and expressed in calendar time. On an exceptional basis the Maximum Timeframe may be extended by Administrator.

Maximum timeframes are as follows:

Cosmetology (Day)	1600 hours X 150% = 2400	maximum hours
	13 months X 150% = 19	maximum months
Cosmetology (Eve)	1600 hours X 150% = 2400	maximum hours
	16 months X 150% = 24	maximum months
Esthetician (Day)	600 hours X 150% = 900	maximum hours
	6 months X 150% = 9	maximum months

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled hours.

Any approved transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Students must maintain a written grade average of 70%.

Numerical grades are considered according to the following scale:

90-100%	A	(Excellent)
80-89%	B	(Above Average)
70-79%	C	(Average)
60-69%	D	(Below Average)
0-59%	F	(Fail)

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation period are considered to be making Satisfactory Academic Progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. Hours accepted as Transfer Hours from another school are counted toward the student's current program. The hours are considered as both attempted and completed. Incompletes, withdrawals, repetitions and remedial coursework have no effect on satisfactory progress status.

Warning

Students enrolled in programs of 900 clock hours or more who fail to meet minimum requirements for attendance or academic (qualitative or quantitative) progress are placed on warning status. Provisions for Warning do not apply to students enrolled in programs of less than 900 clock hours. The student placed on Warning will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the warning period the student has still not met both the attendance and academic requirements enrollment for the student may be terminated or if a determination is made that the student still has an opportunity to achieve Satisfactory Academic Progress (both qualitative and quantitative) the student may be placed on Probation (see below).

Financial Aid Warning

Title IV recipients who have been placed on a "Warning" status, as noted above, are automatically placed on Financial Aid Warning status. Cash paying student will be placed on Warning Status. Financial Aid Warning is defined as a status the school assigns to a student who is failing to make satisfactory Academic Progress. The school will reinstate eligibility for aid for otherwise eligible students for one payment period and may do so without a student appeal. All provisions of Warning, as stated above apply to Financial Aid Warning and for Cash paying students.

Probation

Probation applies to students who have not achieved Satisfactory Academic Progress. For students enrolled in programs of 900 clock hours or greater Probation may be assigned to students who have not achieved Satisfactory Academic Progress by the end of a previous Warning period. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by

the end of the evaluation period may be placed on probation. For students enrolled in programs less than 900 hours and if not meeting SAP the student will be placed on probation and terminated unless successfully appealed.

The student placed on Probation will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress they are subject to termination of enrollment.

Financial Aid Probation

Title IV recipients who have been placed on Probation, as noted above, are not eligible for Title IV funds during the period of Probation. Cash paying students will be placed on Probation. However, otherwise eligible students who are placed on probation may appeal to be placed on Financial Aid Probation. Financial Aid Probation is defined as a status a school assigned to a student who is failing to make Satisfactory Academic Progress and who successfully appeals. Eligibility may be reinstated for one payment period. Refer to Appeals, below.

Appeals

An appeal is defined as a process by which a student who is not meeting standards of Satisfactory Academic Progress petitions the school for reconsideration of eligibility for federal student aid funds. The appeal must be made to the Financial Aid department within ten calendar days of notification of Probation status. Reasons for which students may appeal a negative determination include but not limited to death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. The decision will be final. If the student prevails upon appeal federal financial aid will be reinstated for retroactive periods deemed ineligible, if applicable. This appeal process applies whether or not student is receiving Financial Aid.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal.

NON-CREDIT AND REMEDIAL COURSES

Non-Credit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's Satisfactory Academic Progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned.

RE-ENTERING STUDENTS

Students who are re-entering school after prior leave of absence or cessation of enrollment will re-enter the school in the same progress status as when they left.

ATTENDANCE POLICY

On time Graduation Date includes a grace period of 10 additional class days to complete the course. Additional training time beyond this date will cost the student the standard hourly rate as described in the Tuition and Fees section contained herein. All students are required to maintain a minimum 67% attendance rate to graduate from the program of study.

Review of Attendance

Attendance is reviewed every 30 days. Any student not in attendance for 10 scheduled class days without notification will be considered voluntarily withdrawn. To make up work or classes missed, check with your instructor or with the Administration.

Tardy

Unless there are extenuating circumstances acceptable to the instructor, any student late for class by seven minutes or more will not be permitted to attend school until theory class has been completed.

LEAVE OF ABSENCE (“LOA”)

Students may request a Leave of Absence (LOA), not limited to, serious illness, death in the family or other emergency circumstance. An LOA may not exceed 180 days. An LOA may only be granted once the student has been enrolled for at least 90 days (3 months) unless mitigating circumstances exist. If more than one LOA is granted within any given 12 month period the combined length of all LOA's within the 12 month period may not under any circumstances exceed 180 days. No additional institutional charges are assessed during an approved LOA and the expected Completion Date must be extended for the same number of approved days in the leave of absence.

Students must submit a written request outlining the reason for the requested leave, duration of leave including the requested return date and any applicable documentation to support the request. LOA requests for medical purposes require medical documentation. All requests for LOA must be signed and dated by the student and should be submitted to the Financial Aid Office for evaluation. Written requests are reviewed on an individual basis with consideration given to the following criteria:

- (1) Student eligibility for Leave of Absence,
- (2) Complete and compliant written request,
- (3) Reason for LOA request,
- (4) Any other applicable factors or considerations and
- (5) Reasonable expectation that the student will return upon completion of the LOA.

Prior to approving an LOA, any student who has received a Federal Student Loan must receive counseling regarding any impact that the LOA may have on those loans

Failure to Return From LOA

Students who fail to return to class as scheduled following a LOA will be terminated from the program. As required by federal statute and regulation the students last date of attendance prior to the LOA will be used in order to determine the amount of tuition and Title IV Funds the college earned. Students who have received Federal Student Loans must be made aware that failure to return from an approved LOA, depending on the length of the LOA, may have an adverse impact on the student's loan repayment schedule.

Students will only be eligible for Federal Pell Grant while on LOA. Students will not be eligible for any of their student loans while on a LOA.

Federal Loan programs provide students with a grace period which delays the student obligation to begin repaying their loan debt for up to 6 months (180 days) from the last day of attendance. If a student takes a lengthy LOA and fails to return to school after its conclusion, some or all of the grace period may be exhausted forcing the borrower to begin making payments immediately.

WITHDRAW AND RE-ENTRY POLICY

All students who withdraw in good standing due at the discretion of the school's administration will be accepted to re-enter during the next class start.

CHANGE OF STATUS

Students unable to attend their scheduled hours (full or part time), must request a change of status in writing from the Management prior to attending more or less hours.

Student Tuition Recovery Fund Payment

The State of California created the Student Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program and attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident, or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- (1) The school closed before the course of instruction was completed
- (2) The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school
- (3) The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
- (4) There was a material failure to comply with the Act or the Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
- (5) An inability after diligent efforts to prosecute, prove and collect on a judgment against the institution for a violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification.

Additional Charges

Any student who does not complete a course within the allotted contractual enrollment period will be charged at the same hourly rate of \$12.50 for Cosmetologists and \$9.00 for Estheticians, for any additional time required for completion. Exceptions will be made for approved Leaves of Absence or Changes of Status. Leaves of absence or changes in status are approved upon written request of the school for extended illnesses of the student; illness, birth, death in the student's family or for other reasons deemed legitimate by the School and which can be substantiated in writing.

Cash Discount

COBA Academy may provide a tuition discount of up to 10% of the cash portion of their tuition for enrolled students who agree to pay in full either by cash, money order, cashier's check or credit card (Student will pay an additional charge if credit card is used to pay fee) for the cash portion of their tuition on or before enrollment. Each request will be evaluated on a case by case basis, the cash discount is at Coba Academy's sole and absolute discretion.

FINANCIAL AID OVERVIEW

Coba Academy is authorized to administer Federal Programs of student financial assistance.

Included are the PELL Grant Program; and Federal Family Educational Loans. If you are enrolled or accepted for enrollment and are a citizen or permanent resident of the United States you are eligible to apply for assistance under these programs. Remember, Grants are “gifts”; however, loans must be repaid.

Federal Pell Grant

Federal Pell Grants are available to qualified undergraduate students to assist them with their tuition costs. The school’s computerized system will calculate the amount of need you are eligible to receive. **The maximum Federal Pell grant amount for 2013-2014 is \$5,640 and for 2014-2015 is estimated to be \$5,640.**

Federal Direct Loan Programs

There are applications available at the school. The school’s Financial Aid Director (FAD) or Financial Aid Officer (FAO) can determine your eligibility. Repayment is based on the amount of loan and could be as low as **\$55.00** per month. Repayment begins 6 months after the student stops attending school. Details on all Financial Aid programs are available from the Financial Aid Director or Officer and all prospective financial aid students are expected to arrange a personal planning meeting with the FAD/FAO.

UNSUBSIDIZED DIRECT LOAN: are loans for which the federal government pays the interest while the student is in school, during deferment, and during the grace period. These loans are for students who demonstrate financial need based on the federal formula and the cost of education including indirect cost established by the Academy.

UNSUBSIDIZED DIRECT LOAN: is available to all eligible students regardless of income. Unlike the subsidized loan program, interest that accrues on this loan is the responsibility of the borrower.

FEDERAL DIRECT PLUS LOAN: is a loan that parents with good credit borrow on behalf of the dependent student.

How to Apply For Financial Aid

As a general rule an in-person interview with a financial aid representative is mandatory. The Academy uses the Free Application for Federal Student Aid (FAFSA) as a foundation for all federal programs. The procedure for applying for federal assistance is as follows:

- (1) Obtain a FAFSA and a checklist of items to bring to your in-person appointment.
- (2) Complete the FAFSA with supporting documentation.
- (3) Return the FAFSA and other requested documentation for an estimate of financial assistance.
- (4) Within a week, the financial aid representative may request additional documentation to complete the FA eligibility.
- (5) An Award Letter will be presented upon final evaluation of the FA documents.
- (6) The Federal Pell Grant is normally processed after 5 days of enrollment.
- (7) Federal Loans are processed 30 days after enrollment for first time borrowers.

How Awards Are Determined

The FAFSA is entered in a database that determines an Expected Family Contribution (EFC). The EFC determines the Federal Pell Grant eligibility and Subsidized Loan eligibility. In addition the student’s need determines the Direct Unsubsidized Loan.

RESPONSIBILITY: If a student obtains a loan to pay for the program, that student will have the responsibility to pay the full amount of the loan plus interest, less the amount of any refund.

REFUNDS

STUDENT BUYERS RIGHT TO CANCEL

You have the right to cancel an Enrollment Agreement without penalty for any program of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction offered in the Agreement through attendance at the first class session or the seventh (7th) day (calendar days) after enrollment; whichever is later. Business day means a day on which you were scheduled to attend a class session.

Cancellation shall occur when you give written notice of cancellation at the selected address of the Institution shown below. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid to:

**Coba Academy
Attn: CarolAnn Malkasian
President/Owner
102 North Glassell Street
Orange, California 92866**

If the enrollment is cancelled Coba Academy will refund all monies paid by the student, less the non-refundable registration fee and any deductions for unused equipment and supplies. Please note once the kit is opened, it is no longer returnable due to health and sanitation reasons. All money will be refunded to you within 45 calendar days.

INSTITUTIONAL REFUND POLICY

If you withdraw from Coba Academy after the cancelation period described in the above section you may be entitled to a pro rata refund if you completed less than 60 percent of scheduled hours attended up through your last date of attendance. The refund is calculated on a pro rata attendance less registration fee, STRF, and kit costs.

WITHDRAWAL POLICY

For the purpose of determining the amount you owe for the time you attended you shall be deemed to have withdrawn from the course when any of the following occurs:

- (1) You notify the school of your withdrawal or the actual date of withdrawal.
- (2) The institution terminates your enrollment.
- (3) You fail to attend classes for 10 scheduled class days (14 calendar days). In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

RETURN OF TITLE IV

Treatment of Title IV Funds When a Student Withdraws

A Title IV recipient that withdraws from school has both the Institutional Policy and the "Return to Title IV" calculated. The Return to Title IV calculation determines the earned and unearned amounts of Title IV funds earned for the payment period as of the date the student ceased attendance.

Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the

equivalent to 60 percent of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- (1) The Federal or State Government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Unearned funds would be returned to the program in the order stated below by the school and/or the student.

Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment.

Refunds

If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22.

The order of payment of refunds is,

- (1) Unsubsidized Loans from FFELP or Direct Loan
- (2) Subsidized Loans from FFELP or Direct Loan
- (3) Perkins Loans
- (4) PLUS (Graduate Students) FFELP or Direct Loan
- (5) PLUS (Parent) FFELP or Direct Loan
- (6) Pell Grant
- (7) Academic Competitiveness Grant (ACG)
- (8) National SMART Grant
- (9) Federal SEOG

This order would apply in accordance to the aid programs available at the institution. The student (or parent for a Direct PLUS loan) must return unearned aid for which the student is responsible by repaying funds to the following sources in the following order. Amounts to be returned to grants are reduced by 50%.

- (1) Unsubsidized Direct Loan
- (2) Subsidized Direct Loan
- (3) PLUS Direct Loan

(4) Federal Pell Grant (50%)
